

Dear Revere Public School Families,

On behalf of Revere Public Schools Dining Services, I would like to take this opportunity to welcome your student(s) to the 2023-24 school year!

It's a privilege to serve your school community, and we're looking forward to providing students with a variety of convenient, tasty, on-trend, and healthy meal choices. Through June 2024 all student meals for breakfast and lunch will be free of charge. This does not include snacks and á la carte items. Second meals are available for purchase.

We are excited and ready to offer students' favorite programs and deliver fun, exciting, and tasty dining experiences throughout the year, including:

- Global Flavors menu promotions featuring limited-time-offer recipes inspired by Hawaiian, Italian, Indian, East Asian, and Thai food.
- Special events celebrating national food days and seasonal flavors. We love highlighting fresh produce on our menus through our Fruits & Veggies theme, and special events like Fall Fest that celebrate the start of Fall and showcases fresh, seasonal flavors.
- Our Feed Your Potential 365 program (www.fyp365.com) which provides delicious recipes, nutrition news, and health insights to help support wellness at school and at home.
- And for younger students, new adventures with our mascot, Ace, providing a fun approach to building healthy habits that reinforce good nutrition and exercise.

Check out our daily menus <https://revereps.schooldish.com/> and stay up to date on the latest food-service news on Facebook, Instagram and Twitter – RPS Dining Services. If you have questions or we can help in any way, please contact our team at 781-333-2055.

We can't wait to serve your student(s)!

Best wishes for a successful 2023-24 school year.

Cheryl Cole
